

United States Department of State

Washington, D.C. 20520

SEP 15 2004

Dear Mr. Speaker:

Pursuant to Section 36(c) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed license for the export of defense articles or defense services sold commercially under a contract in the amount of \$100,000,000 or more.

The transaction contained in the attached certification involves the export of twelve modified S-92A helicopters with related spare parts, to DHC Helicopter Corporation, Canada to perform offshore oil operations, civil search and rescue, and other civil missions in Canada.

The United States Government is prepared to license the export of these items having taken into account political, military, economic, human rights and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

A handwritten signature in black ink, appearing to read "Paul V. Kelly", with a stylized flourish at the end.

Paul V. Kelly
Assistant Secretary
